

FairLens AI Bias Audit Report

Audit ID: TEST-001

Date: May 03, 2026

Submitted by: Test

Executive Summary

This audit assessed an AI-powered loan approval system for bias, discrimination, and regulatory compliance. The system received an overall risk rating of **MEDIUM** with a composite fairness score of **75/100**.

The model demonstrates acceptable fairness characteristics and is suitable for deployment with ongoing monitoring.

Regulatory Context

This audit evaluates compliance with:

- **Equal Credit Opportunity Act (ECOA):** Prohibits discrimination in credit decisions
- **EU AI Act Article 9:** Classifies credit scoring as high-risk AI requiring strict oversight
- **Fair Credit Reporting Act (FCRA):** Regulates use of consumer credit information
- **GDPR Article 5:** Requires data minimization and privacy protection
- **Federal Reserve SR 11-7:** Model risk management guidance
